

SJCOE Mathematics Professional Learning Opportunity 2017/2018

Mathematics Professional Learning for Administrators

Where: San Joaquin County Office of Education
Wentworth Education Center — Kingston Room
2707 Transworld Drive, Stockton, CA 95206

When: October 23, 2017
8:30 a.m. — 3:00 p.m.

What does 21st century mathematics learning look like? It looks significantly different from the rule-based instruction that most of us are familiar with. Students need to engage in thoughtful conceptual learning experiences that help them develop their skills in communication, critical thinking, creativity and collaboration.

Come hone your skills to become a better instructional leader and deepen your understanding of the vital student actions that inform the support you provide to your classroom teachers.
