SJCOE Announces its Breakfast and Lunch Program

Annual statement of SJCOE nutrition-program policy includes eligibility guidelines

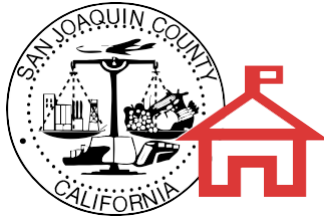

The San Joaquin County Office of Education (SJCOE) recently announced its annual statement on policy for providing free and reduced-price meals for children served under the National School Lunch Program and School Breakfast Program. Under the current policy, students in the SJCOE's **one.** program will continue to receive free breakfast and lunch, regardless of eligibility guidelines.

"Although there are federal and state guidelines as to who is eligible for free or reduced lunches, we have chosen to provide all students within our (**.one**) program with a free meal, regardless of his or her income level," said SJCOE Student Services Supervisor Jennifer Lawrence.

The chart below contains the household size and income criteria used to determine eligibility for free and reduced-price meal benefits. Children from households whose income is equivalent or below the levels shown here are eligible for free or reduced-price meals. Children who receive Food Stamps (FS), California Work Opportunity and Responsibility to Kids (CalWORKs), Kinship Guardianship Assistance Payments (Kin-GAP), or Food Distribution Program on Indian Reservations (FDPIR) benefits are automatically eligible for free meals regardless of the income of the household in which they reside. Eligibility for a foster child is based on a separate application and solely on the amount of the child's "personal use" income.

Application forms are being distributed to all households with a letter informing them of the availability of free and reduced-price meals for enrolled children. Applications are also available at SJCOE County Operated Schools and Programs office. Households must complete an application and return it to the school at any time during the school year for processing. Requirements for free and reduced-price lunch benefits are as follows:

- For households receiving FS, CalWORKs, Kin-GAP, or FDPIR benefits – applications need only include the enrolled child's name, FS, CalWORKs, Kin-GAP, or FDPIR case number, and the signature of an adult household member.
- For households who do not list a FS, CalWORKs, Kin-GAP, or FDPIR case number, the application must include the names of all household members, the amount and source of the income received by each household member, and the signature and corresponding Social Security number of an adult household member.

Parents may also make a formal request for an appeal hearing of the decision and may do so orally or in writing with the sponsor or agency's hearing official. Parents or guardians should contact their child's school for specific information regarding the name of the determining official and/or hearing official for a specific school, agency, or district.
