## Foundation Mission

### **Mission Statement:**

To link public schools with businesses, individuals, civic organizations in student centered programs which enhance self-esteem, achieve academic excellence, teamwork, and good citizenship and increase community input for, involvement with, and support of public education.

### **Goals:**

To generate support for diverse programs that encourage students to become involved in positive activities at school and within the larger community. To identify and develop programs and activities that appeal to the unique interests of the diverse student populations in our community. To provide opportunities for students to participate in activities that will enhance their personal growth and sense of self-worth. To support programs and activities that strengthen the relationships between the school and the community in meeting the needs of youth.
