

ANALYZE & APPLY SOLUTIONS FOR MOSQUITO - BORNE DISEASE

SAN JOAQUIN COUNTY
OFFICE OF EDUCATION

WORKSHOP FOR UPPER MIDDLE & HIGH SCHOOL TEACHERS

Join SJCOE STEM Programs and SJC Mosquito & Vector Control District in a workshop to explore a free **engineering-based** lesson sequence adapted for in-person and **online learning**. We will tour the facility and learn about the best practices of mosquito control.

Upon attending this workshop, you will have access to:

- **LESSON SEQUENCE & LESSON PLANS**
- **HYPERDOC FOR ONLINE LEARNING**
- **A GUEST SPEAKER FROM THE SJC MOSQUITO & VECTOR CONTROL DISTRICT TO ZOOM IN TO YOUR CLASSROOM!**

The NGSS lesson sequence focuses on ecology, biology, behaviors of mosquitoes, mosquito-borne disease prevention, and **integrated pest management**. (LS2, ETS1, EP&C #5)

NOVEMBER 6, 2021
9 A.M. - 2:30 P.M.

SJC MOSQUITO & VECTOR CONTROL DISTRICT
7759 S. Airport Way, Stockton
