

Transforming your School Through SEL Frameworks and Best Practices

with national award winning teacher and speaker R. Keeth Matheny

Wednesday June 16th

3:00pm - 5:00pm

This session includes:

- Flipping the Script around student supports to a more proactive rather than reactive model and tying in Social and Emotional Learning as foundational to that work.
- Strategies for building a proactive multi-tiered system to build skills ahead of challenges, target emerging issues, and get needy students and staff to quality services.
- Specific strategies to create an anchor point adult relationship and to have meaningful "check ins" on students will be covered.
- SEL frameworks for starting, growing, and sustaining high impact SEL programs are covered in detail.
- Strategies for strong SEL campus integration, advisory programs, and dedicated course options are all covered with tips learned from many experiences supports hundreds of schools doing this work.

Keeth Matheny is a national award winning teacher, author and speaker. He is the founder of SEL Launchpad an organization that provides SEL professional development all over the US, and has launched SEL programs in over 300 schools. Keeth is a co-author of School-Connect a research and evidence-based social and emotional learning curriculum now in over 2000 secondary schools. His work has been featured in national webinars, magazine articles and journals of best practices.
