

11 Elements of a High Quality CTE Program

Professional Development Workshop

FEBRUARY 8 & 9, 2022

3:30PM - 4:30PM

This is a virtual event via ZOOM

CTE Teachers, School Administrators, and Counselors, please join us to learn from CDE consultants about the essential elements of a world-class Career Technical Education program, known as the "11 Elements of a High Quality CTE Program." This workshop will discuss these elements that focus on rigorous and engaging curricula, supportive relationships, and demonstrated student outcomes. Attendees will come away with an understanding of how to incorporate best practices into CTE programs, to prepare students for career and academic success, critical for adulthood and the workforce.
