

EQUITABLE MATH

Inclusive Practices for Learners with Disabilities

Come learn how to create an inclusive math classroom where all students, including those with disabilities, can thrive. This workshop challenges deficit-based perspectives and empowers educators to design learning environments that celebrate neurodiversity. Learn how to support productive struggle, provide meaningful access to mathematical concepts, and apply Universal Design for Learning principles specifically to math instruction.

\$450 Registration Fee

A light breakfast and lunch will be provided.

PART 1:

JANUARY 22, 2025

8:30 AM - 3:30 PM

PART 2:

MARCH 3, 2025

8:30 AM - 3:30 PM

Earn 1 Professional Growth Unit for attending parts 1 & 2 with Independent Work through TCSJ*
(*Unit Fee \$95.00/unit with TCSJ at Additional Cost)

From addressing IEP goals to removing barriers, we'll explore practical techniques that foster engaging math experiences for every student. Join us in reimagining math education that truly embraces and nurtures the potential of all learners.
