

Transforming the Teaching and Learning of Mathematics

EXPLORING THE PROGRESSION OF NUMBER FLUENCY IN GRADES TK-8

Is a lack of fluency and flexibility with numbers preventing your students from achieving success with grade-level mathematics? Do you notice your students struggling with basic facts that denies them access to rigorous grade-level mathematics?

APRIL 24, 2024

**SAN JOAQUIN COUNTY
OFFICE OF EDUCATION**

This professional learning experience is for TK-8 teachers, coaches, coordinators and administrators.

What we will explore: approaches, routines and strategies to accelerate unfinished learning and support number flexibility that will build capacity in your students to obtain full fluency with whole numbers, fractions and decimals.

*** You can earn 1 College Unit with independent work through TCSJ!**

(*1 Unit Fee \$95.00/unit at Additional Cost with TCSJ)
