

Continuous Improvement and Support presents

Grading for Equity

If you missed out on our book study last year, we are rolling out our Book Study 2.0!

Art Source: Grading for Equity (Feldman, 2019)

Join us as we dive into the book, *Grading for Equity* by Joe Feldman. Learn about how we can make grades more accurately reflect student learning to encourage students to be the drivers of their own success.

Virtual
3:30-4:30pm

September 28, 2023

November 2, 2023

December 7, 2023

Register by August 4, 2023 and receive a free copy of Grading for Equity.

From Book to Practice

Ready to Take Grading for Equity to the Next Level?

For those who have knowledge and understanding of the foundations of Grading for Equity, join this Community of Practice as we begin developing a systematic approach to supporting our students in creating more equitable practices for grading.

Any and all educators are welcome!

In-Person
12:30-3:30pm
