

**SAN JOAQUIN COUNTY
OFFICE OF EDUCATION**

Sending **HOPE** with artwork & letters

Write a letter or draw, color, or paint a picture and send it to a senior citizen to brighten their day! Please make sure to only use your first name on your artwork and letters. Here are some ideas to write about:

- Your hobbies
- Your pets
- Your favorite things: food, shows, songs, movies, etc.
- Your grade level
- What you miss about school
- What school work you are doing from home

Once you are done, address the letter to one of the facilities listed on the right - we've already checked with them and they are excited to start receiving your "happy mail!" Then, add a stamp. But, please don't include your address and please don't include any items other than your artwork or letter.
