FEBRUARY 3, 2021

WOMEN TOGETHER: TODAY AND TOMORROW is more than a free, one-day virtual conference; it's an opportunity to be a part of a growing community with a shared belief that when women are empowered in the workplace, our organizations can be led to new heights! The San Joaquin County Office of Education, Lodi Unified School District, and our partner Old Sow Coaching and Consulting invite women and men across all industries, future leaders, and those who advocate for women in leadership to join us, starting with the Women Together conference on Feb. 3 from 8:45 a.m. to 3:45 p.m. Together, we can build an inclusive and innovative network that ignites change, values mentorship, and offers opportunities for personal and professional growth and development.

The first 100 registrants will receive a free book!
