San Joaquin County SELPA

Presents:

“Say It Like You MEAN It!” A Paraprofessional’s Guide to Differentiating Instruction for Students with Language Deficits

Target Audience: Paraprofessionals

For students with a limited understanding of the English language, receptive or expressive language deficits, or those with difficulties in written language, the academic classroom can be a difficult maze to navigate. This workshop will help paraprofessionals employ tested academic and behavioral instructional strategies designed to support students with language delays.
