

SAN JOAQUIN MATH TEACHERS' CIRCLE

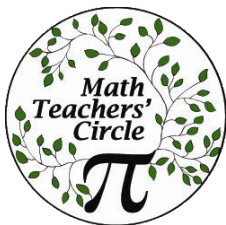

Come discover the beauty and joy of mathematics!

- Explore non-routine math topics •
- Enrich your problem solving and subject matter knowledge •
- Network with other math teachers •

SESSION DESCRIPTION

Quotes from Past Participants:

- ♦ *“I have had a lot of fun ‘playing’ with math. The open-ended questions and investigations are interesting and fun. I also loved seeing all the different ways people approached the problems.”*
- ♦ *“I feel invigorated and want to try problem solving with my students.”*
