ELPAC SUMMATIVE ASSESSMENT
ADMINISTRATION AND SCORING WORKSHOP

The English Language Proficiency Assessments for California – ELPAC – is the instrument California uses to identify students as English learners and measure their annual progress. Examiners must be trained annually to administer the exams as per State Regulations. ELPAC consists of the Summative Assessment (SA) and Initial Assessment (IA). This training meets the requirement for the Summative Assessment (SA) administration **along with** the completion of Moodle scoring calibration that each examiner must complete independently.
