Scorecards to Support Culturally-Responsive Curriculum

The NYU Metro Center developed the Culturally Responsive Curriculum Scorecards to help educators, parents, community members, and students determine whether their curricula represents diverse perspectives and identities, and to what degree. There is a Scorecard for STEAM and English/Language Arts. From the NYU's The Education Justice Research and Organizing Collaborative website, you can also access a Culturally Responsive Curriculum Scorecard Toolkit to dive deeper into this important work.

SJCOE CIS Thanks you for Reading our Newsletter

About Us

In partnership with our educational community, the Continuous Improvement and Support team leads with equity, designs and facilitates relevant and innovative learning that fosters relationships and is responsive to student and adult needs.
