

6th Annual San Joaquin County ECE Conference

Play: Learning in Action

SAVE THE DATE

Conference sessions will support early educators working in family childcare or center-based settings and focus on the importance of early play experiences in promoting healthy growth and development. Participants will gain new strategies and skills for supporting and engaging children in play. Each session will connect to the four domains of Developmentally Appropriate Practice - Cognitive, Physical, Social, and Emotional.

Lisa Murphy on...PLAY!

Learn seven things we need to do with children each day to prepare them for kindergarten and life.

Lisa Murphy on...Being Child Centered!

Explore what it really means to be a hands-on, play based, child-centered program.

Let's Go Outside!

Explore the importance of outdoor play experiences for young children's growth and development.
