WORKSHOP INFORMATION:

This workshop will introduce regulation supports by Autism Level UP! Participants will have opportunities to apply the tools and strategies presented, along with opportunities to consider the tools for autistic people they teach, or with whom they work, live, and/or play. Modifications for the supports will be discussed for individuals at a variety of developmental levels. A neurodiversity affirming approach to goal writing will be introduced.

San Joaquin
County SELPA

SAN JOAQUIN COUNTY
OFFICE OF EDUCATION

Participant Outcomes:

Discuss the relationship between emotional/energy regulation difficulties and challenging behaviors

Identify primary emotional/energy regulatory strategies which are appropriate for differing developmental levels

Identify the factors contributing to ongoing regulatory support across the lifespan for autistic individuals.

Continuing Professional Development

Speech-Language Pathologists and Audiologists can take courses to accrue 24 hours of continuing professional development (CPD) for each biennial license renewal. Licenses must take courses from board approved providers and course subject matter must be related to the speech-language pathology and audiology scope of practice.

This course meets the qualifications for 6 hours of Continuing Professional Development (CPD) for Speech-Language Pathologists as required by the California Speech-Language Pathology and Audiology Board.
